NEXT MEETING JUNE 14TH

7:00 pm

Mountainview Christian Church

President's Message

Happy June Everyone! May was a mixed bag for me. I had a great time at the Lilac Run with everyone who came. I'm really looking forward to next year! A week later I was off to Alaska with all of my sisters - it was so majestic and beautiful! We even had sunshine 4 out of 7 days. The day I got home I tested positive for Covid.... Despite being vaccinated and boosted, I spent a week being pretty sick. As I emerge from my state of "Covid brain" I must say I'm happy to be on the mend, part of this great group and to be working with such industrious, smart and talented people!

Delleen continues to coordinate and forward our purpose of creating and donating quilts to those in need. Susan A-S has continued to keep quilt kits moving. Shirley W. and crew are forging ahead with the quilt show. Deb O keeping us on schedule. Ann Marie R keeping us on budget. Dottie keeping us informed and educated. Lori O keeping us challenged. Penny G adding to our membership and keeping track of us. Linda G-S reminding us of what we said and what occurred. Laura R picks up all the random pieces. It takes a village to run this group. If everyone does a little bit or as much as they can, no one job is too overwhelming. Have you thought of helping out? Have you wanted to do something but didn't know what? Contact myself or anyone of the above to see how you might help.

There are several exciting things coming up: the Summer Sale, Class with Camille Ainsworth, Quilt show, not to mention our June meeting! Continue reading to get all the details. See you on the 14th!

Keeping you in stitches, Marie Anderson
President

Vice President's Message

JUNE'S LECTURER IS HELENE KNOTT

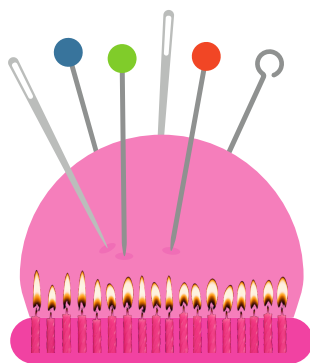

Someone said "Quilting Makes the Quilt". Not many quilters realize just how true that is. We spend lots of time making beautiful quilt tops and then often finish them with all over utilitarian quilting. This may be fine for some quilts, but a beautiful quilt deserves beautiful quilting. In this program, I will share my approach to quilting, both by machine and by hand. You will gain a wealth of information - tips, techniques, and some unusual design sources that will allow you to take your quilting to a whole new level. The presentation will include a trunk show of some of my award winning quilts as well as some little gems that have not been in the spotlight.

We are still in need of a new Vice President. This is a board position and is lots of fun!

We have a nearly comprehensive Lending Library!!!
Contact melvaatkins007@comcast.net to find that special pattern.

Peace and posies!!

Dottiei

Message from Membership

Our May meeting was a big success with LaVerne Lewis with "Women Sew" explaining the different groups from different Nationalities learning to sew and also learning how to make a living. If anyone is interested she is looking for volunteers on teaching women how to sew. We had 67 members attend the meeting and 9 on Zoom.

With COVID cases, emergency department and urgent care diagnoses all increasing in Multnomah County along with hospitalizations and outbreaks, Public Health strongly urges people to wear masks indoors until cases and hospitalizations drop back down.

BOARD MEETINGS

We welcome any guild member who would like to join in the guild board meetings! At the moment we are Zooming the Tuesday 2 weeks prior to the general meetings at 6:30PM. You can find the newly updated Zoom calendar on the Members Only page on the website or if you are interested in reading the minutes of the meeting that is where they are as well. Next meeting is June 28th, and it will be in person. Contact any board member for info.

Our Raffle Quilt will be revealed at the June guild meeting. I think it is beautiful and want to thank everyone who participated. More than 12 members either made blocks, assembled the quilt, or quilted it. Raffle tickets will be available at the meeting.

We will have a table with some samples of items that could be made for the Boutique. We will also begin collecting items for the Boutique.

Last meeting, I was asked if these items were just donated or on consignment. I told her that everything was donated. And I was questioned. So, I did some checking. The first quilt show the items on consignment and the members were paid a percentage if they requested it. In 2019, all items were donated but could be returned to maker if not sold. That is the method we will be using this year.

We plan to have registration form to place you quilt(s) in the show by the July meeting. So start thinking about what you want to display.

Any comments or suggestions are always welcome by either email
quiltshow@mthoodquiltguild.com
or a phone call to me at 503 659 3517.

Block of the Month

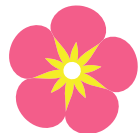

JUNE- BABY BLUE BIRDS

The block is inspired by all the birds out right now. It is cute and gives us more practice with "flippy corners". **The pattern will be posted on the website 6/2/2022.** As a sneak peek, the background will be white or white-on-white and the bird will be made out of any blue fabric, and a bright scrap for his beak! Think Spring! **DRAWING:** **There will be a Raffle drawing for those who bring in blocks. One entry per block. So the more block sets turned in, the more chances to win! The raffle winner gets all the blocks.** If you just want to make blocks to turn in, entering the raffle is optional. **Give it a try! LET'S MAKE A FLOCK OF BLUE BIRDS ON THE WALL FOR THE JUNE MEETING!!!**

Spring Fling CHALLENGE

One month left! Reveal at the July meeting.

Join in the fun! Tap your creativity! How will you take a spunky but challenging, fabric and make it into something artistic or useful? That's up to you, and that's the challenge! The Guild is providing a "challenging" spring focus fabric, and there are VERY FEW RULES, so get your fabric & let your creativity flow! There will be multiple prizes awarded and judging will be done by member's at the July meeting. **Plenty of time left to make something fun.**

Challenge details are posted to the website under Project of the Month. If you are not attending in-person meetings and need a piece of challenge fabric, contact Lori Oathes- contact info below.

2400 Quilts - How Did We Get Here?

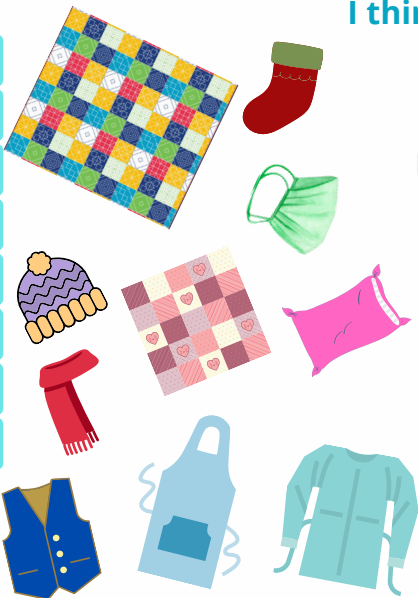

This month, I received a request from a potential donation opportunity. **Hopewell House** will be reopening in the fall, and they need quilts. <https://friendsofhopewellhousepdx.org/>

As I responded to the request, it got me thinking about the growth of opportunities for us to help the local community. From our first year in 2015 with 37 quilts finished and delivered to Human Solutions, to this latest request we have been able to fill a need for quilts, pillowcases, aprons, scarves, vests, masks, Christmas stockings, caps, gowns, and any other sewn items the community suggests!!

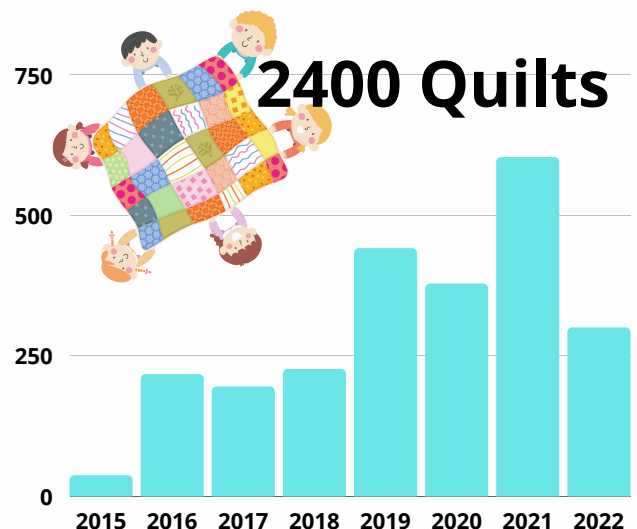

Many of you have been invested in this work since our first days in our small home upstairs in the Lutheran Church. Some of you joined during Covid, agreed to sew at home and contribute through parking lot collections. We have new members joining us in person now at Mountainview.

I think it is time for a history lesson!

MEETING NOTES

May 10, 2022
MHQG Member's Meeting

Marie started the meeting at 7:01pm

Attendance: In person 67, Zoom 9

The meeting is on Zoom. Stephanie H. will be running the Zoom part of the meetings until the subscription is up in September. Then the meetings will switch over to Google Meets.

Welcome to all guests and new members.

Dottie: Christina Comeli class was cancelled- this will be rescheduled . May 21st- Firefly tote class by Camille Ainsworth. \$45 for class, \$25 for kit.

Dottie introduced the speaker: Laverne Lewis from Women-Sew Global Foundation organization. All of us learned to sew somewhere from someone. When you are a sewer who learned from you mother it becomes part of your DNA. About 6 years ago she was working at the Rockwood Center- she started teaching women how to sew. This just grew and grew into a regular class at Rockwood Center. Multi-generations were learning how to sew. When the Center wanted to start charging the women the class ended and the it was the beginning of Women-Sew Foundation. At the beginning of this program the pandemic hit- she was able to do classes & grow the Collective on Zoom. The women have made close to 20,000 masks. It is a sewing collective to raise awareness for Women and Girls. Many machines have been gifted to the members- hand delivered by Laverne. There are 9 Collective leaders- each one has a group that represent their world. The ladies attend 6-8 classes to be able to bring their machines home. Part of the sewing is economic development- learning to sell & market their products. Stitching Lives Together Residency Program- incredible! Also brought a program to a park (Park grant). Stitching Lives Together Project Bag- filled with things needed to start sewing including patterns and fabric. They love donations! That's why we sew. If you would like to teach a class/special skill- contact Laverne. Would love to have them at our quilt show (Featured Non-Profit Vendor option?). Website has donation information. Laverne's contact information is in the newsletter.

BOM: Lori Oathes- The winner of the blocks is: Linda Danley

The Spring Fling Challenge: use the challenge fabric to make a block. Turn it in at the July meeting. The guidelines are in the newsletter.

Quilt Show: Shirley Workman: The Opportunity Quilt is just about put together. Looking for someone to quilt it. Would love to have it ready for the June meeting. One room open- not sure how we are going to use it yet, can have demo's- if you have idea's email them to Shirley. If you are a gardener- it's raining- you can't garden so make something for the boutique.

Need a coordinator/point person for the Summer Sale— July 23rd

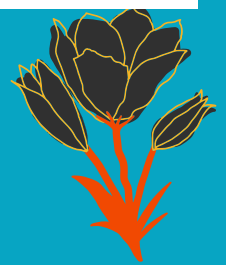

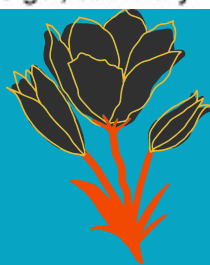

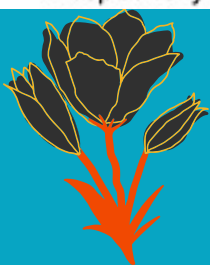

Need a Retreat Organizer soon or we will lose our reservation for the fall retreat.

Birthday Drawing: The winner is: Ann Robertson
