Zoom: Zoom costs \$15 a month or \$150 a year. The benefits of keeping Zoom\_ we can get speakers at a cheaper rate as we don't have to pay travel fees, some of our members who can't drive at night stay more engaged. We have Google meets but everyone using it has to have a gmail address. Zoom- just need to download the app. We voted to continue with Zoom for another year.

By-Laws: We discussed the changes made from our last meeting. LGS will send the new By-Laws to Deb O'D so she can put a link to the new and old By-Laws in the meeting notification- Linda G-S will also write a very brief summary of the changes so the members know what changes have been made. The new By-Laws will be voted on at the August members meeting.

Google Drive: Delleen and Linda G-S cleaned up and straightened out the Google Drive and added a folder for Founding Documents. Delleen will talk to Becky about when she can do a Google Drive training for the Board so the use of Google Drive will continue. Please get your questions ready and to Delleen before hand so Becky and easily address any questions.

Quilt Show: Hand Sewn bags have been donated to sell in the boutique. Brief updates: All vendor spots have been sold, there will be a total of 7 raffle baskets, discussed ribbons, Virginia O'D will do a write up about how to attach a sleeve to your quilt back, all quilts will be given a participation label, next meeting is August 6, 2022 at 10am at Shirley Workmans.

Summer Sale: Went well- made about \$2700. Carolyn Johnson will be bringing the books to Latimer Quilt Museum in Tillamook. She will also be refunded her \$40 for her missing purchase. Dottie will be writing her a thank you note. The left over fabric is in the storage unit. Dottie, Ann Marie and Susan A-S will sort through the fabric again to get rid of the cardboard boxes and to make sure the fabric gets to the best place (ie: Women-Sew Collective, etc). This fabric will also be used for Fabric Find.

Dottie will be starting discussions with MountainView Church for our next contract. We are looking at maybe a 10 month contract with our July & August meetings being in a park. Dottie will ask them about a 10 month and 12 month contracts including the classroom upstairs for classes and the big room (FLC) for March National Quilting day. The current contract is up at the end of September.

Connecting Threads: Deb has received a form for requesting donations from them, Delleen and Deb will fill out the form.
