- Drawing for POM (project of the month)
- December meeting planning
- Guild membership to quiltshow.com (\$29 if at least 35 people sign up)
- Intro of September speaker as Dottie won't be there. Wendy can do it.
- Recording Meeting is September 7th
- Membership update

Wendy started the meeting at 5:00pm. When we have an outside speaker the meeting must be much shorter.

Uploading video's takes a long time.

We will not be doing Tips & Treasures. And when we have a speaker we will not have a topic.

When we have an outside speaker we can use the Zoom-chat option for questions and then one person can be the moderator and ask the presenter the questions. Both our September and October presenters are happy that we are trying new things like zoom presentations for our guild.

The next 4 months are: September= Rachel Derstine, October=Alex Anderson, November=?, December= Holiday Party

Laura has mailed a check to Rachel D. Staci will send the Zoom link to Rachel D for the September 7th recording meeting.

Rachel's topic is: Inspiration to the Art Process. She will speak for 45 minutes.

& then 10 minutes for questions through Zoom-chat & a moderator.

Laura- If you email a picture of a receipt to her she can use that to re-imburse you for quilt guild needs. She has transferred the funds from PayPal to the MHQG bank account.

Dottie: The stickers will be custom made with our MHQG logo for \$3 each for 12+ stickers. Staci will send the MHQG logo clip art to Dottie so the stickers can be ordered for prizes. The sticker purchase will be through Miss P Matters Etsy shop.

Wendy will also be getting My Quilting Loft gift cards for prizes.

Dottie also talked about quiltshow.com. It is \$29 if 35 people from our quilt guild sign up. Someone will speak about this at the October meeting and it will be in the newsletter.

Deb: Membership is at about 70 and she will be picking up about 25 more from Laura tomorrow. She is also getting the new name tags sent out to people. The renewal & new membership cards are on the website for members to print off. Members need to ask at various places to see if they get a discount. Deb will also be mailing out renewal forms to people who have not renewed yet. She has about 7 pictures for the membership photo list. It seems to be a workable format. So the collecting of member photo's can begin.

Barbara will put something in the newsletter about the retreat. The packet pickup is September 26th 10-2 in the Mt.View Church parking lot. There will also be charity pick-up & drop off at that time. There will not be a free table as it will be too difficult to manage.

Delleen: did a video with Linda Shaul about wool applique. Delleen & Linda S are prepping the donated wool so it can be used for sales/quilt show boutique. When it is prepped and ready to go they will present the video at a meeting.

Staci: People generally aren't clicking on the links. We do have our own YouTube channel and there are about 11 people who are subscribing to that. She would be happy if more Board Members would be set up & trained to do mail chimp and all the other things that she does. She would be able to have a Zoom meeting to show & teach people.

December meeting: we are going to attempt to do a live meeting: 100 people would be able to attend, w/ an agenda, organized, possibly a fat 1/4 exchange, cocktail hour. We may do a survey about who would like to show fast simple how-to's.

In person meetings will not happen until Phase 4 of re-opening in Multnomah County (that is when the church would be able to have large meetings inside).

Screen sharing must be set up by the Zoom meeting host at the beginning of the meeting.

Wendy reviewed the meeting agenda for the recording meeting on September 7, 2020
