

September 28, 2021  
Mt Hood Quilt Guild Board Meeting

Attendance: Deb O'Donnell, Becky Caputo, Delleen Kompkoff, Lori Oathes, Suzi Grunau, Ann Marie Rears, Dottie Miller, Stephanie Harland, Linda Gaudette-Sigel

Becky started the meeting at 7:05pm (a zoom link glitch delayed the start)

The October Meeting: Becky will be gone- Dottie will run the meeting. Linda G-S will be gone and Ann Marie will take notes. The speaker will be Save Store and the person will talk about basic machine maintenance. The meeting will be hybrid (in-person and Zoom). Someone may need to monitor the lighting for the Zoom-keep the audience lighting on. Dottie will pick up the needed materials from Becky. The Save Store people will bring all the equipment they need. They are not charging us (except for mileage) so we are going to renew their business membership as our gift to them. Delleen also has a game with some pretty exciting & fun fabric. Please remember to clean the microphone between speakers. In person- masks are required. Last months Fabric Find sale brought in \$167.

The Ad Hoc Committee: Laura Rom will be taking over for Wendy Sternberg.

Skip-A-Week: New agreement with them will be- they get every other month (even months) and will give us a flat fee of \$20 (rather than the previous agreement of 40%). Our Fabric Find sale will be on the odd months. Delleen will talk to Harriet about the new agreement.

T-Shirts will be on sale for \$15 at the membership table. Cash or check

No Free Table yet. We will keep reviewing this for when it will start up again.

All the Board members and adjunct members are getting the emails. If you don't want a guild email to go to private email make sure you let Becky know.

Christina Cameli class: She asks that everyone wear a mask for the entire class. If there is enough interest for another class it will be scheduled. Until then we will start a waitlist. Everyone must pay for the October 30th class by the October Member meeting (October 12)

Charcuterie Board for Staci. Deb is still working on it. Staci is still in Oregon for now.

Non-monetary Donations: In Kind donations must be tracked. Ann Marie will send a donation form to My Quilting Loft for their recent donation. Any donation over \$250 there needs to be a donation form offered. The form will be updated to note In Kind donations. If a big donation (ie: a fabric/sewing estate) comes in- contact Ann Marie for a donation form. The donation form will come off the website but will be on the Google Docs.

Grant for Electrical Cords: The Retreat people will work with Susan A-S to make the purchase.

More Mt. Hood Hospital Passage Quilts are needed. 40" x 60"

How do we increase Community Outreach Support? Delleen needs a co-person to help with the community outreach. Also in need of quilters!! Maybe Ellen? Maybe Ad Hoc can people find more people? Maybe incentives?

Canva: A review of how Canva works. Thanks to Delleen for doing several parts to the newsletter on Canva. The September 14th email has the link to get into the Quilt Guild page. The save is automatic. Click on edit to make changes on your page. The DUE date for the newsletter is the day after the board meeting. You can work ahead by copying your page. Questions? Just ask. Delleen, Deb and maybe Dottie can help!

Next month Board Meeting: Library, Community Outreach, planning for November,

Becky ended the meeting at 8:20pm
