The zoom part of the meeting: Zoom people were having trouble hearing and people were ghosted. Ann Marie is going to continue to monitor the meeting. We'll continue to try to problem solve as the meeting zooms on.

Newsletter compliment to all- a member loved the last newsletter. It is easier and user friendly.

Officers for Jan- we vote at the January meeting and they start February 1st, 2021. Debbie Stouffer would be more interested in the membership position. We can ask around at the December meeting again.

Quilts of Valor for the VA Hospital=Lori. They want 60 x 80. Can do the 40 x 60. We would go through the VA Auxiliary. Given to the family or the patient. This will be a call out to quilters or a challenge. They can provide blocks and some other materials to put quilts together. An ongoing need. National quilt day in March will be the day to do some quilting for them. The challenge can be a Red/White/Blue 12 inch block-Lori has a floating star block.
