President's Message

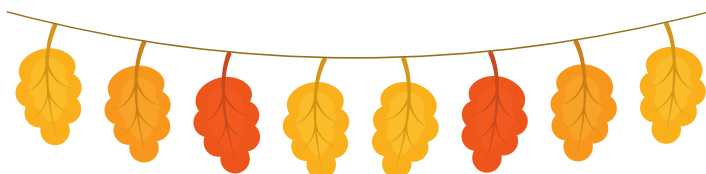

Fall has arrived!! The crisp mornings, colorful leaves, and weather that can't decide if it is going to be rainy or sunny. As the fall descends upon us; I begin to sew and quilt most evenings. Quilts feel like a tangible "hug" for family, friends, and strangers who wrap up in them.

Since the creation of our guild, we have been heavily involved with making quilts for a variety of charity organizations. With COVID, the need for quilts to comfort those hurting has increased exponentially.

"THANK YOU" to those who have been making charity quilts!
"THANK YOU" to those who have made their first charity quilt this year!
"THANK YOU" to our guild who continues to inspire others to give time, love, and comfort in the form of quilts to bless our community.

As we head into fall and the eventual holidays that come, may you feel blessed and encouraged as you wrap up in your favorite, cozy quilts on these cool fall days.

Vice President's Message

Like everything else, our beloved machines need a little TLC every now and then. October is a great time to learn a few "at home" steps to maintain our sewing machines. Join us for practical machine maintenance from the experts at Save Stores, local retailer of brand-name sewing & embroidery machines & vacuum cleaners also offering sewing classes. This will be so cool!!

FYI, Christina Cameli's Wedge Design Class is full; however, we will be taking names of folks interested in another Cameli class at a later date.

Message from Membership

There are 194 people on our Mt. Hood Quilt Guild roster with new members joining every month. We still have a very few that need to renew their membership. Please do take the opportunity at the October meeting or [click here to renew](#) online. A check in the mail is perfect as well.

Our September meeting had 53 in person in attendance and 14 attending via Zoom. Pretty darn good for dipping our toes back in to indoor meetings and a good learning experience!

Also, I would like to ask anyone considering volunteering to be on the MHQG board to take a look at the Membership Chair position. Please contact me or an Ad Hoc committee member with any questions. Thanks!

Happy Quilting!

Block of the Month

OCTOBER- GARLIC KNOTS & WHIRLWIND – DÉJÀ VU!

Since we couldn't meet in person in April or May 2020, we are revisiting Whirlwind and Garlic Knots blocks from those months so everyone can finally turn them in! If you haven't made them, here's your chance! You can make one or both. They are fun & easy, and the Whirlwind has a surprise! Join the fun! Some lucky ladies will take them home! Two drawings- one for each block. You get one entry for each block/set, so if you make more than one, you get more entries for the drawing. Let's fill up the BOM board in October! Free patterns on the guild website under PROJECT OF THE MONTH section, scroll down to 2020 section and look for April & May or see below. If you cannot attend the October meeting in person, but want to participate in the drawing, call or text me to arrange delivery prior to the meeting- if you win, I'll deliver them. 503-329-1707

Community Outreach

When is the last time you took a look at our guild website? Did you know we have links to some great pattern ideas that would work well for your next volunteer project? There are copies of all the patterns that we use in our kits, as well as many other simple patterns that can be adapted to our favorite size of 40" x 60".

Did you know our guild has committed to delivering 15 quilts every month to the Passage Program at Mt. Hood Medical Center? These are quilts made with adult-themed fabric, many in darker colors suitable for a male. If you have time to machine quilt or machine bind for this project, please let us know. We really appreciate all the help! Kits are available at every in-person meeting.

Help is needed from more domestic machine quilters. Please volunteer!!

She described the pro's and con's of Warm & Natural, Hobbs, Mountain Mist, Warm Company. She also described scrim and what it does. Not only batting in quilts but in home dec too- like for table runners, hot pads, and bowl buddies. She ended with talking about things to consider with show quilts.
